

Course plan

Advanced course (level 2 Malayalam)

The Advanced course is designed as a continuation to the Basic course with a duration of 40 hours . Those who have completed the basic course or who have clear knowledge of the base form of Malayalam letters (swarangaḷ & vyanjanangaḷ) are eligible to enter Malayalam level 2.

The course introduces kids to stressed , variant & combined consonants, simultaneously enhancing their vocabulary. It focuses on improved reading, listening & speaking with the help of lessons on various topics , stories, songs, videos & games like kahoot, word search etc.

This won't be exclusively a language study, but knowing India, largely Kerala through Malayalam will be an integral & interesting part of the course.
